VAN BUREN COUNTY BOARD OF COMMISSIONERS APPOINTS COUNTY ADMINISTRATOR

Paw Paw, MI, June 7, 2023 – At a Special Meeting, held on Monday, June 5th, the Van Buren County Board of Commissioners appointed Mr. John Faul as the new County Administrator.

Mr. Faul previously worked for Van Buren County in various capacities including County Administrator before transitioning to the position of Palisades Project Director in 2021 and retiring in 2022.

He recently returned as acting Interim County Administrator and has now accepted the Administrator position for a two-year period.

When accepting the appointment, Mr. Faul has said “I am looking forward to helping the Board through the remainder of their present term of office through 2024 and assisting them in their search for a new Administrator once a new Board is seated for their four-year term beginning in 2025. This provides me the opportunity to continue to build relationships and provide mentorship to a relatively new staff. I believe my institutional knowledge will be of benefit to the County and the community at large.”

The Board of Commissioners is excited to have Mr. Faul back in the County Administrator position and expects to formalize his contract by the end of the month.
