RE: 2012 Equalization Report

Commissioners,

The Van Buren County Equalization Department has prepared the enclosed report of values within the 18 townships and 4 cities in the county. The values shown are taken from the local governmental units' 2012 assessment rolls and further equalized to correct any inequalities between units as is required by Section 211.34 of the Michigan Compiled Laws. One class of property required adjustments this year, the Porter Township Agricultural Class. The adjustment is shown on pages 1 & 2 of the L-4024 and pages 2, 3, 7, & 9 of the report.

The values reflected in this report show a 0.07% increase in equalized value and 1.22% increase in taxable value overall when compared to the 2011 values.

The total Van Buren County Equalized Value projected is **\$ 3,622,802,049**

The total Van Buren County Taxable Value projected is **\$ 2,978,525,228**

I would like to express my appreciation to the local supervisors and assessors for their cooperation in providing all information necessary to arrive at final totals. I would also like to thank Blaine McLeod for fulfilling the statutory certification as our designated MMAO Equalization Director and I would like to especially thank Linda Marcinkowski for her hard work and coordination between this department and the local unit assessors and supervisors. And finally, the rest of my staff for an excellent year of appraisal work that went into preparing this report.

Respectfully submitted,
