

**TOWNSHIP OF BANGOR
COUNTY OF VAN BUREN, STATE OF MICHIGAN**

**SECOND AMENDMENT
TO ORDINANCE #1 REGULATING OUTDOOR ASSEMBLIES**

THE TOWNSHIP OF BANGOR, VAN BUREN COUNTY, MICHIGAN, HEREBY ORDAINS the following amendments to the Ordinance Regulating Outdoor Assemblies adopted by the Township of Bangor on April 3, 1971, as Ordinance #1, and Amendment to Ordinance #1 adopted by the Township Board on April 13, 2010:

The ordinance requires the regulation, licensing and control of large numbers of people in outdoor assemblies.

1. The Preamble shall be modified to read as follows:

The Township of Bangor Ordains that the interest of the public health, safety and welfare of the citizens of the Township requires the regulation, licensing and control of large numbers of people in outdoor assemblies of more than ***two hundred (200) persons*** in attendance, excessively drawing upon the health, sanitation, fire, police, transportation, utility and other public service regularly provided to the Townships.

The Township of Bangor specifically limits the number of outdoor assembly(ies) to ***TWO (2) events per parcel of land, per calendar year.***

2. Section IV (Issuance of a License) shall be modified to read as follows:

The Applicant shall furnish a copy of the Application for License to Conduct Outdoor Assembly to the following entities: Van Buren County Sheriff Department, Van Buren County Health Department, and the ABB Fire Chief, PRIOR to submitting the application to the Township.

Such officer and officials of the named entities shall review and investigate matters relevant to the application and, within twenty (20) days of receipt of the application, and shall provide written approval/ recommendations stating Applicant's compliance with all requirements set forth in Section VII.

3. Section VII in its entirety is as follows:

The Application submitted to the Township shall include all such written approval / recommendations from the named entities.

- A. Section VII, #2 (Water & Waste Facilities) shall be modified to read as follows:

The licensee shall provide potable water as approved by a Van Buren County Health officer of sufficient quantity and pressure to assure proper operation of all water using facilities under conditions of peak demand. The number and type of facilities required shall be determined on the basis of the number of attendants in the following manner: Toilets and lavatories at a ratio of 1 to every 50 attendants; drinking fountains at a ratio of 1 to every 50 attendants; taps or faucets at a ratio of 1 to every 50 attendants. Where the assembly is to continue for more than 12 hours, the licensee shall provide shower facilities on the basis of the number of the ratio of 1 to 50 attendants.

All facilities shall be installed, connected, and maintained free from obstructions, leaks, and defects and shall at all times be in operable condition as determined by the Van Buren County Health Department.

- B. Section VII, #5 (Medical Facilities) shall be modified to read as follows:

Each assembly must have medical services available on the premises of the assembly. The nature and extent of such service will be determined by the County Health Department.

- C. Section VII, #6 (Access and Traffic Control, Parking, Camping & Trailer Parking) shall be modified to read as follows:

Access traffic control, parking shall be provided to insure proper ingress, egress, orderly flow of traffic and orderly parking of vehicles brought to the assembly. Traffic lanes and other spaces shall be provided, designate to be kept open for access by ambulance, fire equipment, helicopter, and other emergency vehicles. Prior to the issuance of a license, the Van Buren County Sheriff Department must approve the plans for access and traffic control. As to parking the licensee shall provide a parking area sufficient to accommodate all motor vehicles but in no case shall it provide less than one automobile space for every four attendants. The licensee shall provide electrical illumination of all occupied areas sufficient to assure the safety and comfort of all attendants.

- D. Section VII, #8 (Insurance) shall be modified to read as follows:

Before the issuance of a license the licensee shall obtain liability insurance with both bodily injury limits and property damage limits of not less than

\$1,000,000.00 (one million) from a company or companies approved by the commissioner of Insurance of the State of Michigan, which insurance shall insure liability for death or injury to persons or damage to property which may result from the conduct of the assembly or conduct incident thereto and which insurance shall remain in full force and effect in the specified amounts for the duration of the license. The evidence of insurance shall include an endorsement to the effect that the insurance company shall notify the Clerk of the Township in writing at least 10 days before the expiration or cancellation of said insurance.

E. Section VII, #10 (Fire Protection) shall be modified to read as follows:

The licensee shall at his own expense, take adequate steps as determined by the ABB Fire Chief to insure fire protection.

G. Section VII, #11 (Fencing) shall be modified to read as follows:

The licensee shall erect an appropriate barrier completely enclosing the site of sufficient height and strength to protect the safety of the attendants and surrounding citizens of the township.

4. All ordinances or provisions of ordinances in conflict with any or the provision of this ordinance and any amendments hereto, are hereby repealed.
